Dear Eric:

I enclose herewith the photocopies which you requested together with the May 10, 1770 Act Connecticut note issue figures. I shall send the 1775 dated issues within the next two or three days.

As I stated, I would very much like to enroll among those who are consulted as regards the prices on notes which appear in the up coming edition of your book. I would very much appreciate it if you could forward my name to those who will be putting in the prices at Krause.

I thank you for your warning about the 1737 note. I have examined it closely under intense light and there is no printing on the back. I am also enclosing a copy of our catalog. We are now quite short of copies so please do not ask for another as I have had to sacrifice one of mine to give it to you.

With Best Wishes,

Douglas B. Ball
